When you sent in the formal response that you put together, it was to be accompanied by a payment of \$985.00, covering the cost of a five month extension. This is why the patent was abandoned.

To officially revive the patent, this is what we need to do:

- 1) Send in a petition for revival form (can be pulled from website)
- 2) Send in payment of \$985.00 for retroactive 5 month extension program
- 3) Send in payment of \$650.00 for the revival fee.

All correspondence from now on needs to be done through James Smith. He and Alissa have spoken, and everyone is on the same page as to what is going to happen here.
